

IMPORTANT NOTICE TO ALL TRAVELLERS

CHANGE IN MINISTRY OF HEALTH (MOH) COVID-19 TRAVEL CERTIFICATION REQUIREMENTS

We wish to inform our esteemed customers that there has been a change of MOH COVID-19 Travel Certification requirements as per the Ministry of Health Circular Ref MH/101/22/35.

As of **DECEMBER 1, 2021 all INTERNATIONAL TRAVELLERS** will require:

- 1. Negative PCR test from a certified MOH COVID-19 Laboratory**
- 2. Panabios Trusted Travel Certification.**
- 3. Ministry of Health confirmation of results and travel certificate.
(K250 Cost and we will arrange this for passengers).**

Due to the requirement of the Ministry of Health travel certification please allow 24 hours for the same. PCR results will still be sent by email within 8 Hours.

Please be advised that the **Panabios Trusted Travel Certification is a mandatory requirement to exit Zambia** and the link to the Panabios platform is <https://trustedtravel.panabios.org> . Q Medland is an accredited Lab with the Ministry of Health and the Panabios Trusted Travel and we will upload the results to the platform. However, please note that travellers must also register on the Panabios Trusted Travel platform as per the above link. It is therefore important and **mandatory that all travelers provide a valid and correct email address** to enable receipt of this link and access to the Travel certificate online.
